Barbra & Frank Holiday Show “The Concert That Never Was” @ Foxwoods Casino It is unlikely that the two powerhouse voices of the century would have ever shared the same stage...until now! Two great artists pay tribute to their characters. They never worked together, exactly, except when they taped a duet in separate recording sessions, but it’s tantalizing to think what it would have been like to have Barbra Streisand and Frank Sinatra team up for a concert tour. Just imagine the possibilities. The rapport of these two 20th-century icons is immediately prevalent. “What’s On Magazine” states, “As good as the music is, the banter between the stars is equally memorable.” “A Match Made in Las Vegas” celebrates the holiday season with Barbra & Frank as they perform some of your favorite holiday classics along with their iconic hits of all time. Mistletoe meets menorah as Barbra & Frank sing some of the most memorable music and songs ever written. Matinee Show Package Includes: Transportation, \$10 Slot, Lunch

He sings and looks exactly like the man in black - and it comes naturally. When Laura Lucy takes the stage as June Carter Cash, the combination is pure magic. And The Red Hot Cash Band is an extraordinarily talented team of musicians, who recreate the music that made Johnny Cash country music’s most iconic performer.
